Education

KJEI's Trinity Academy of Engineering, Pune

2023 – 2027

B.E - Electronics and Telecommunication Engineering – Third Year

Technical Skills

- **Languages & Core Concepts:** MATLAB, Python, SQL, Object- Oriented Programming
- **Tools:** MATLAB Simulink, MS Excel
- **Web Technologies:** HTML, CSS, JavaScript, MySQL
- **AI/ML, Data Science Libraries:** OpenCV (Basics), TensorFlow (Basics), Machine Learning (Basics), Numpy , Pandas, Seaborn, Pytorch

Experience / Projects

MATLAB Project Trainee — Rubicon Foundation

2024

- Completed an industry-oriented MATLAB project under structured technical training
- Designed and simulated mathematical and engineering models using MATLAB
- Analyzed system performance using numerical methods and graphical plots
- Interpreted results and validated outputs for accuracy and reliability

Portfolio Analysis Assistant — Self Project

Objective: Design an AI – based portfolio analysis system for automated financial insights.

- Developed a portfolio analyzer, processing 4K+ trades and handling stock splits via Y finance, boosting analytics accuracy by 33%
- Automated financial calculations and real time data retrieval, reducing manual tracking by 40%

Gesture Controlled Virtual Mouse — Academic Project

- Developed a virtual mouse system using hand gesture recognition.
- Used computer vision concepts for cursor movement and click actions.
- Applied image processing technique using Python and OpenCV.
- Proposed future AI integration for voice control and smart automation.

Certifications

- MATLAB Training Program – Rubicon Foundation
- Certified participant of Smart India Hackathon (SIH), a national-level innovation competition.
- Led a team to develop a solution for a real-world problem statement under strict timelines.

Achievements

- Actively participated in technical workshops and seminars.
- Participated in Smart India Hackathon at college level for innovative problem solving.

Positions of Responsibility

PR and Technical Member – ENCORE, ENTC Department

Contributed to technical event management, promotions, team coordination , and student engagement activities within the department.
